Short Description

sequins mix

Description

Je kunt nooit teveel glinsteringen hebben! Voeg de laatste finishing touches toe aan je projecten met deze sequins van Picket Fence. De sequins zitten in mooie platte doosjes met doorzichtige deksels waardoor je ze makkelijk kunt stapelen en goed kunt zien wat er in de doosjes zit. Deze sequins zijn een mix van 3-6 mm grootte.

In deze mix zitten witte/oranje en zwarte sequins.

You can never have too much sparkle! Add the perfect finishing touches to your crafty projects with Picket Fence Studios' exclusive, custom mixed sequin collection. Our gorgeous, unique embellishments come in beautiful compact cases with clear lids - ready to store and use as soon as they arrive, and they even let you peek in from the side to grab the mix you want easily from a stack. The lids are flat, so the containers can be stacked on a shelf or in a drawer. These sparkling sequins range from 3-6 mm within the mixes, and even with the attractive storage are priced beautifully as well.
